

# 2024 MILK PRODUCTION RECORD FOR

Client Name \_\_\_\_\_

Dear COMPUTER PROGRAM User:

Please fill in the missing information as you are entering your milk checks in the computer. Then bring the completed form to your consultant at the check-in appointment. This information is vital to completing your farm analysis. We also have an EXCEL spreadsheet program you can use which will record and total this information in your computer... just ask your consultant for a copy. **Thank you very much!!!!**

\*You may need to record a 2 month's check at the beginning and end of each year if your milk plant pays you for 2 of December's milk around December 26<sup>th</sup>. We would like to see the pounds of milk shipped which corresponds with the actual milk checks received in the calendar year on a cash basis if possible. Otherwise, provide a complete 12 months of production records.
